

Access Traveller Event

What ACA(UK) Provides - 2012

The people and clubs that run the Traveller series events for us are often very experienced and skilled and we thank you all for all your help and guidance. This information is given not to say how an event is run but just to help add consistency to the events. We hope you find it useful.

The Access Class Association UK undertakes to provide:

1. An Information – Resource pack for running the event.

This includes the following:

- Quick Planning Guide
- What ACA(UK) Provides – Information Sheet
- What the Host Club Provides – Information Sheet
- Jetty/Pontoon/Hoisting Checklist
- Race Entry Administration Checklist
- Safety Boat Checklist
- Race Team Checklist
- Briefing checklist
- Protests Checklist
- Special Class Rules for Access Dinghies.
- ACA(UK) Sailing Instructions
- Race Entry Forms
- Fleet Forms
- Hoisting Form
- Race Timing Form
- Overall Results Form
- Protest Form
- Prize-giving Form
- Application for ACA(UK) Membership Form

ACA(UK) will provide a person to come to your club to go through this Info-Resource pack with your team if you wish. Arrange this as ASAP as we try to fit these visits in before the end of March.

2. ACA(UK) will provide the Special Class Flags for each Access fleet.

3. ACA(UK) will provide **final overall TT series Trophies.**

4. We will advertise the event and publish results of each race in the series on www.accessclass.org.uk

5. An ACA(UK) Officer to attend each event on the day for support and advice

6. If you intend using club marks **we require you to fix a flag to each with its number indicating the sequence taken i.e. windward mark = 1 etc. The Association has dan-buoys which are tall and have numbered flags that clip onto the club buoys. **If you need these, please book them at least one month before your event.****

7. If needed and arranged by the host club **at least one month in advance **(Please Note - the more time you give me to identify and arrange this the better the likelihood that we can help)** the ACA(UK) **may** be able to provide an experienced person to act as assistant race officer to support the clubs own race officer.**
