3. Future Meetings

There is a possibility that there will be a committee meeting at the Rutland event. If this is so an agenda will be circulated well before the event.

The general plan is to have one or two meetings after the last 2008 TT event and before the first 2009 TT event.

4. Communication

People were urged to respond to e-mails even if just to say 'yes I agree' or 'no I don't'. It is important that all committee members express their own and other members views in the e-mail discussions. So please respond.
